

E-Recycling for Earth Day!

Wondering what to do with that old computer, fax, printer, TV, other electronics or household appliance?

Friends of the Wildlife Sanctuary & Norsec Computer Recyclers are holding an **Electronics Recycling Drive at the Bay Beach Wildlife Sanctuary on Friday April 20 from 5:00 – 7:00 pm and again on**

Saturday April 21 from 9:00 am to 1:00 pm. Norsec Computer Recyclers LLC provides an environmentally responsible solution to electronics disposal needs.

Drop off old TVs, computer equipment (monitors, CPUs, mice, keyboards, fax, printers, network equipment & any standard office equipment), household electronics such as CD, DVD, & VHS players, stereo equipment, vacuums, clocks, Satellite receivers, phone systems, cell phones, game consoles, household appliances like microwaves, washers, dryers, refrigerators, dehumidifiers & stoves. We also recycle Lead acid, Nickel Cadmium and Lithium Ion batteries. Basically if it plugs into a wall, we can recycle it. **However, they do not accept dry cell batteries, or florescent light bulbs.**

Items subject to charge, since they contain hazardous materials, include:

Computer monitors \$10.00 each

TV's including flat screens \$15.00 each

All fees benefit the Friends of the Wildlife Sanctuary!

All other standard computer components and household appliances are recycled at no charge, including appliances that contain Freon.

The drop off area will be the lower lot of the Nature Center at the Wildlife Sanctuary.

Thank you for helping the environment and supporting the Friends of the Wildlife Sanctuary☺
