

Bird City Green Bay's 7th Annual
BIG BAY BIRDATHON

Friday May 11 4:00pm-Saturday May 12 4:00pm

What is a Birdathon?

A birdathon is a 24-hour competition where teams of 2-4 people compete against each other to try and find as many wild species of bird as possible.

Birds can be found anywhere in the state during the timeframe. Teams will then get together on Saturday evening to submit their lists, claim prizes and share stories.
