[36-*** - Fence] Fence on west property line

- Owner als came in on July 11 to discuss putting a lattice fence up another 3 feet. Told him he could not make 3 foot extension on 6 foot fence and that 6 feet was max. The solution Paul N and I came up with as long as it was not attached to the fence and was 3 feet away, he could put it up as a exessory structure. The owner was going to do that.
