[19-438 - Addition to Garage, Carport (Residential)] This is a new permit charged and issued for the expired permit 67834. That old permit has been marked abandoned. This new project has been given until June 1, 2020 to either remove driveway expansion to be code compliant or to have the curb & gutter with apron widened to match driveway expansion. The GARAGE AND ELECTRICAL will be a separate project when funding is available, but right now he would have a legal parking space along side the garage. - paulvc 10/18/2019
