

**BAY BEACH
WILDLIFE SANCTUARY
WELCOMES YOU!**

The Bay Beach Wildlife Sanctuary is a beautiful 700-acre urban wildlife refuge. It is also Green Bay's largest city park. The Wildlife Sanctuary is open to the public year 'round with no admission fee. We have something for everyone! Your visit will be most enjoyable if you take a moment to enjoy the beauty that nature has to offer all around the WLS.

REHABILITATION PROGRAM

In 1935, the Wildlife Sanctuary began as a waterfowl rehabilitation site. Today, it continues to receive over 5,000 injured, orphaned and sick animals each year. Our goal is to release as many of these rehabilitated animals back into the wild as possible. Animals that cannot survive in the wild may be used by our staff as wildlife education ambassadors.
