

BABY ANIMALS WISH LIST

Bay Beach Wildlife Sanctuary Rehabilitation Program

Every year volunteers spend thousands of dollars to raise injured and orphaned wildlife. Below are some items that will help these volunteers and the patients they're caring for, with the goal of returning the animal to the wild. If you would like to donate items to help with the Rehabilitation Program at the Wildlife Sanctuary (RPAWS), check the list below and bring items to the Observation Building at the Bay Beach Wildlife Sanctuary. Please call 920.391.3685 if questions—and Thank you!
